

**CURRICULAR TECHNOLOGY COMMITTEE**  
**MINUTES**  
**May 22, 2007 Meeting**  
**Greater Plains School**

Attendance: Bonnie Nobiling, Eileen Robbins, Kim Downie, Coleen Lewis, Deb Dalton, Allayne Heyduk, Mark Parmerter, Andy Puritz, Carol Wood, Pat Follett, Amanda Scimeca, Kim Shephard, Barb Havlik, Claudia Koeppel, Marilyn Rosas.

What workshop will you teach this summer? Bonnie Nobiling- Podcasting, Eileen Robbins- Using Blackboard or Using SMART board, Deb Dalton- "Google and beyond" similar to (G) workshop, Barb Havlik- moviemaker PP, Marilyn Rosas- movie maker, Flash animations, Power Point, whatever you want me to do.

The Acceptable Use Policy and Technology Planning documents were discussed. Terms and words were defined. Suggestions were made to improve professional development in the district and have teachers trained in keyboarding to teach keyboarding at the elementary level as well as at the high school level. The finished drafts of the documents will be presented at board meetings. After the documents have been OK'd by the board they will on the technology website.

Summer professional development schedules should be out soon.

This summer is the Middle School's turn to have all computers updated. The "old" computers in good working order will be distributed among the other buildings.

The FBI Parent Assembly on Social Networking will be on Monday, June 11<sup>th</sup> from 6-8pm at OHS. It is open to any parent, grandparent, etc. who desires to know more.

The Mandarin –OPALS conversion is set for June 2008 for OMS and all remaining buildings during the 08-09 school year.
