PARENT REMINDERS

Absence & Excuse Notes:

You must send a written note, an email, or a Parent Square message to school with your child following an absence, even if you had previously called the school to make us aware of the absence. NYS law requires a written excuse on file and must include the reason for the absence.

Tardies & Early Dismissals:

All students arriving late to school or being dismissed early, must be signed in/out at the main door.
