**Plans must explain how the funds will be expended and prioritize\*:**

Fill in <b>ONE</b> line per district	District	Spending on non-recurring expenses	Safe return to in-person instruction;	Maximizing in-person instruction time;	Meeting the needs of students and operating schools;	Addressing the impacts of the pandemic including:	Addressing the impact of interrupted instruction and learning loss;	Implementing evidence-based strategies to meet students' social, emotional and mental health and academic needs;	Offering evidence-based summer, after school, and other extended learning and enrichment programs; and	Plans that include programs that the LEA intends to continue after the availability of federal funds must identify local funds that can be used to maintain the programs at that time. LEAs must seek public comment from parents, teacher and other stakeholders prior to the posting of the plan and consider their comments in the development of the plan.
	Oneonta City School District	While these also fit in other categories, non-recurring expenses include new clock and PA System.	Safety and Systems Coordinator	Adding an LTA for each Kindergarten classroom.	Custodial Worker; new PA and Clock System	Instructional Coach/Staff Developer; Remote Learning opportunity through BOCES	AIS Teacher in Math and ELA, Special Education Support,	Social Worker and Psychologist	Providing summer school instruction at all grade levels.	District has received public comment via a survey and has included public input in decision making. It is the district's intention to continue to fund positions after Federal funding is depleted. We are looking at other areas in our budget where we can realize savings, including health insurance.

**Actual Language**

On or before July 1, 2021, every local educational agency receiving funding from the elementary and secondary school emergency relief fund allocated by the American rescue plan act of 2021 shall be required to post on its website a plan by school year of how such funds will be expended and how the local educational agency will prioritize spending on non-recurring expenses in the areas of: safely returning students to in-person instruction; maximizing in-person instruction time; operating schools and meeting the needs of students; purchasing educational technology; addressing the impacts of the COVID-19 pandemic on students, including the impacts of interrupted instruction and learning loss and the impacts on low-income students, children with disabilities, English language learners, and students experiencing homelessness; implementing evidence-based strategies to meet students' social, emotional, mental health, and academic needs; offering evidence-based summer, afterschool, and other extended learning and enrichment programs; and supporting early childhood education. Provided further, that local educational agencies shall identify any programs utilizing such funding that are expected to continue beyond the availability of such federal funds and identify local funds that will be used to maintain such programs in order to minimize disruption to core academic and other school programs. Before posting such plan, the local educational agency shall seek public comment from parents, teachers and other stake-holders on the plan and take such comments into account in the development of the plan.
