OMS Guidance News:

Here at OMS we have what is called “Caught Bee-ing Kind”. This is where OMS staff might “catch” a student doing a random act of kindness and they are written up and put into our prize box for the next OMS Live. We had so many great submissions and it is always nice to read the kindness our students are showing toward their peers. This quarter we honored: **Tiffany Gardner!!** Congratulations Tiffany! She won a \$25 Walmart gift card.

Speech and Debate

This weekend OHS Speech and Debate came to the CASSC tournament at SUNY Oneonta ready to win, but we were missing a team member. Ethan Harrington, Grade 6 at OMS, was there with his father, who was one of the judges.

Our team persuaded Ethan to compete, and he did, winning a Second Prize in his event, Impromptu, at his very first district-wide competition.

Jade Anderson took two First Prizes and Andrew Lentner took a Second Prize. We congratulate our team!

HEALTH OFFICE NEWS

Maureen Richter RN 433-8262. Fax- 433-8203

ALLERGY INFORMATION

OMS has several students with Nut Allergies. In the cafeteria there will be a designated **NO NUTS or PEANUTS ZONE**. Students who have lunches that do not contain peanut/nut products may sit at these tables. This plan will help to maintain safety in the cafeteria while allowing non- allergic classmates to enjoy peanut/nut products in the controlled environment.

The classrooms should remain a” peanut/nut free zone” Please do not send in any food items to be consumed in the classroom that contains peanuts, nuts, peanut butter or peanut products.

If you have questions or would like more information please contact Mrs. Richter in the Nurse’s Office.

After School Program Happenings!

The OMS Afterschool Program is well underway. Homework help and study skills are offered as well as educational and fun activities. The program meets Monday-Thursday from 2:30-4:00 pm.

On November 1st, students from the Multi-cultural center at SUNY Oneonta led Day of the Dead activities. After school students decorated paper skeletons and learned about that tradition. Volunteers from the Hartwick Women's Lacrosse team offered an Intro Lacrosse class to some of the students this fall.

Space is still available, but limited. Call the main office if interested. Please note, this is not a drop-in program. Students must apply and attend at least 2 days per week.
