Oneonta Middle School welcomes you to be a sponsor in our 2016-2017 school yearbook.

Through your support, we will be able to offset production costs in order to make the yearbook affordable for everyone here at Oneonta Middle School. Yearbook sponsors will provide a place to showcase your business as it conveys support of this community, these students, and this school district. Furthermore, your business will receive the benefit of reaching our faculty, staff, students, parents and community members.

The Oneonta Middle School produces a yearbook each year which provides all students and their families with great memories of our year here together. We are planning to again print our yearbook entirely in full color. This years' book will have an additional 10 pages, for a total of 73 pages. The sale of advertising space in our yearbook helps to counterbalance the expenses of production and is a great way to show your support for the students and future leaders of our community.

Please see the form below to request an ad. **All ads are business card sized and cost only \$20.00.** All we need is your ad sent to us digitally to wloucks@oneontacsd.org in PDF format. ***Make checks payable to OMS Yearbook Club.*** In the subject line of the email, please write "OMS Yearbook Ad from (your company name)"
