

September Valleyview PTO Minutes - September 14, 2021

1. Welcome and Introductions

*Welcome Faith Tiemann as co-chair.*

2. Treasurer's Report

*PTO was able to do a lot to support teachers, students, and the local community during the past year of COVID. We are still good financially but will need to start doing fundraisers again especially for larger purchases.*

3. Coupon Book Fundraiser Information

*More information coming soon. There was a mail delay, but they should hopefully go home with students within the next week.*

4. Spirit Wear

*We have a surplus from last year's spring sale. Faith has volunteered to do an inventory and organize a sale (order form). In the future, we may hold a design contest so students may help us create a logo for our Spirit Wear.*

5. Yearbook

*Aimee Swan is the yearbook editor/coordinator and the yearbook committee is always looking for people to help out. If you are interested in assisting, please email [valleyviewptoyearbook@gmail.com](mailto:valleyviewptoyearbook@gmail.com). We have already made a pre-payment with Entourage as they offered a discount this year.*

6. Halloween Float

*Our plans are on hold pending the decision of the city.*

7. Box Tops

*Box Tops are not nearly as profitable as they once were. We will send home information soon for the Box Tops app. Please use the app if you can. You may also submit any cut Box Tops ASAP as they will expire soon. We will do one more cutting and mailing this fall.*

8. Open Discussion

*P.E. classes have been using a Gagaball pit that has been loaned to our school. This may be something the PTO can help with in the future.*

*Erika Heller will reach out to Mrs. Czarnecki for information about rental instrument inventory. Recorders were paid for out of district funds. The PTO is looking into helping the music department acquire some new instruments for band students.*

*The PTO is looking into evening activities for students including Halloween Bingo in October. We may hold this event outside (weather permitting).*

*We discussed LifeVac (to help with someone is choking). A single cost \$70, school pack (6) for \$240. There may be a discount code available. The PTO is looking into possibly acquiring this for our school.*

Our October PTO meeting will be on Tuesday, October 5th at 4:00 p.m.

\*Please note the earlier time.
