Dear Oneonta City School District Students, Parents, Faculty, Staff, and Community,

Hoping that you are well. We continue to be grateful to you for all of the things that you are doing in order to make this period of home instruction as good as it can be under the circumstances. During a press briefing earlier today, Governor Cuomo announced that NY PAUSE, which has restricted all nonessential businesses from operating, will be extended until at least May 15th. School districts will be prohibited from opening until at least this time. At the time of this correspondence, there has not been an official executive order from the Governor, but in the meantime, we are updating our website and relaying this important information.
