

RIVERSIDE ELEMENTARY SCHOOL

39 House Street, Oneonta New York 13820

Phone (607)433-8273 Fax (607) 433-8210

Dear Parent/Guardian:

Education Law, Section 904 requires physicals of children when they:

- enter (or re-enter) the school district
- are in grades Kindergarten, 1st, 3rd, 5th
- are referred by/to the Committee on Special Education
- are deemed necessary by school authorities to determine a child's educational program.

The district offers physicals here at school free of charge for your convenience. They are scheduled in the fall and spring. The school nurse will be in attendance during the physicals.

Please indicate below if you prefer a school physical or one with your private provider. Please send this form back IMMEDIATELY so that we can begin planning.

If your child has had a physical within the last school calendar year, we can use that to fulfill the requirement, but we need a copy of that here at school.

Your provider may fax a copy to the school at (607)433-8210.

Sincerely,

Tiffany Carr, RN

School Nurse

Return bottom portion to school nurse ASAP
