The study and evaluation of reports concerning the execution of its written policies shall constitute the basic method by which the Board of Education shall exercise its control over the operation of the School System.

The adoption of a written policy shall occur only after the proposal has been moved, discussed and voted on affirmatively at two meetings not less than 29 days apart, of the Board of Education (i.e., the “first reading” and the “second reading”). The policy draft may be amended at the second meeting. The Board may waive “another reading” and then vote on the proposed, amended policy.
