## Kindergarten Gets Crafty in the Library!

Kindergarten & grade 1 library classes read books by and learn about new Authors of the Month throughout the school year. In November, these classes read books by Author of the Month Mo Willems, including his acclaimed "Don't Let the Pigeon..." series. Kindergarten library classes then created their own Mo Willems pigeons to bring home and keep! Visit the library's Facebook page to see more pigeon photos...

Ms. Tamarro's 1st graders have begun keyboarding in the Computer Lab with Typing Pal, while 2nd graders have learned how to locate words in a dictionary! Mr. Sider's 3rd grade library class is creating an online Google Slide presentation based on their Ghana research, and both 4th grades are creating presentations at Prezi.com about History's Heroes. That's the Buzz!

## 5th Graders Create Multicultural Ornaments for Library Tree!

In what has become an annual tradition, 5th grade library classes recently created home-made multicultural ornaments for the library's holiday tree, including paper hearts from Denmark, paper poinsettias from Mexico, gold-painted walnuts from England, and spider webs from Ukraine. Come see their ornaments for yourself!

## 5th Graders Learn to use eBooks!

5th graders were invited to BYOD (Bring Your Own Device) DAY at the library on Friday, December 11th, where 15 enthusiastic volunteers spent their lunch & recess learning how to download and read free eBooks on their personal devices, courtesy of "Over-drive," a free eBook service provided by ONC Boces and the Oneonta City School District.
