## 5th Graders, Researching December Holidays, Create Multicultural Ornaments for Library Holiday Tree!

5th grade library classes have begun researching how December holidays are celebrated by different countries around the world, and will be creating online presentations with which to share their research. The 5th graders recently took a break from their research to create homemade ornaments for the library's holiday tree, ornaments commonly used by other cultures around the world. Visit the library today and see what a great job they did creating spider webs from the Ukraine, gold-painted walnuts from England, paper poinsettias from Mexico, and paper hearts from Denmark!

### 4th Grade Library Class Presents Video at Community Assembly!

At the November Community Assembly, the 4th grade library class presented a video they created using Microsoft Photo Story. The video highlights the accomplishments of various famous people from history, and features the popular song "Roar" by Katy Perry. 4th graders spent November gathering research from online & print Encyclopedias. To watch the video, follow the link on the library's webpage or Facebook page, and be inspired!

### 3rd Grade Enjoys Scottish Folktale, Enjoys Folktale-Inspired Cake Even More!

Grade 3 library classes, studying folktales, recently read Scotland's "The Woman Who Flummoxed the Fairies," about a clever bakerwoman who outwits the fairies who have kidnapped her, hoping she will bake a cake for them. Imagine the 3rd graders surprise to find that the bakerwoman had also left a traditional, Scottish cake for them too!
