## "Muffins with Moms" & "Donuts with Dads" in the library!

On the mornings of May 17th & 31st Kindergarteners and their parents enjoyed "Muffins with Moms" & "Donuts with Dads," respectively, in the library. Kindergarteners & their families enjoyed breakfast and read together and a great time was had by all. Thanks to all the busy Kindergarten family members who were able to join us for these special events!

## 3rd Grade Library Class Completes Country Research!

Mr. Sider's 3rd grade library class has finished a research project about life in other countries and you can view their Microsoft Sway online presentations by following the link on the library's Facebook page or visiting the library webpage

What's up? Enthusiastic 5th grade readers enjoyed bi-weekly meetings of the library's "Newbery Pie Club" this Spring, enjoying homemade pie & award-winning books; both 2nd grade library classes will be finishing mammal research projects this week, and their online presentations using bunce.com will be available to see on the library webpage. That's what's up!

## 5th Graders study complexities of Media Literacy

Valleyview 5th graders have completed a unit about the importance of Media Literacy, learning about Fact vs Fiction online, Copyright & Free Use, Fake News, & Fauxtography. They learned that not everything online is as it appears, and ways to fact check the Internet.
