Winning "Library Survivor" Tribes Take Home Prize!

Congratulations to the two winning tribes from Ms. Bright's & Ms. Shelp's 5th grade library classes in the annual "Library Survivor" unit, based on the popular "Survivor" TV show. Five tribes in each 5th grade library class competed in timed research challenges over the last few months, and these two groups, or tribes, scored more accumulated points than the other four tribes in each of their classes, proudly taking back to their classrooms million dollar checks (just like on the TV show!), although cashing them may be difficult...

Kindergarten & 1st Grades Make Author of the Month Video!

In February, Kindergarten & 1st grade library classes read books by Author of the Month Oliver Jeffers, including "The Incredible Book Eating Boy" & "How to Catch a Star," and created a video showing their enthusiasm for his quirky and inspiring stories, watch it on the library's webpage & FB page!

Valleyview families are invited to visit the library on the evening of Tuesday, March 20th for the school's Spring Open House at 6:00pm; 2nd grade library classes wrote to the recent Valleycott Award winning illustrators Adam Rex & Peter Brown to congratulate them on their awards, you can read their Q&A on the library webpage under "Valleycott Awards 2018." That's what's up!

Books & Pie = Perfect Match!

Enthusiastic Valleyview 5th graders have begun participating in the library's annual "Newbery Pie Club" during lunch/recess every other Day 6. Students are invited to read a Newbery Award winning chapter book, awarded as such by the American Library Association, then they share and discuss their book with the group while eating lunch and Mr. Parmerter's selection of homemade pies.
