1st & 5th graders participate in Magic Tree House Reading Buddies Week!

During the week of October 14th through the 18th, Valleyview 5th grade students visited the library each day to read Magic Tree House books with 1st graders from Mrs. Wood's class, as part of the national celebration of Magic Tree House Reading Buddies Week. Over the course of the week the 5th and 1st graders read over 1,300 pages of Magic Tree House books together, and celebrated their accomplishment and enthusiasm at the end of the week with a Magic Tree House-themed cake and reading certificates for all who participated.

Grade 1 Classes Enjoy "Pumpkin Fair" Book & Pie!

In October, grade 1 library classes read Author of the Month Eve Bunting's The Pumpkin Fair, talked about the variety of activities which can be enjoyed at our own local harvest festivals, then enjoyed Mr. Parmerter's homemade pumpkin pie!

LATELY IN THE LIBRARY...

* RIF (Reading Is Fundamental) will be distributing 2 free books to each K-5 student on Wednesday, November 6th...remember to wear RED (Read Every Day) on RIF day!

* Parents, tired of re-reading the same library book to your child five times each week? Remind them that they can return library books and choose new ones ANYTIME, not just on the day of their library class!

* Grade 2 library reading groups recently created online presentations of books they read, using www.popplet.com, and you can view them by following the link on the library webpage or Facebook!
