## Hundreds of New Books Await Eager Readers!

This Summer hundreds of brand new picture books, chapter books, and non-fiction books arrived at the Valleyview library! There is something for everyone, and Mr. Parmerter is happy to make a recommendation...otherwise, students are invited to visit the library and to enjoy all the new books!

In September, Kindergarten & Grade 1 library classes will meet their first Author of the Month, while Grade 2 classes begin learning about Caldecott Award winning picture books. Grade 3 library classes will be introduced to folktales, 4th graders will begin a biographies unit, and 5th graders will start "Fifty Nifty Facts," a research skills activity. That's the Buzz!

### Connect with the library online!

Students & parents are invited to visit the Valleyview library website for links to Internet research materials, Internet safety tips, and updates on library activities & monthly contests! Also provided is a link to OPALS, the library's online book catalog which you can browse from home. The library webpage can be found at [www.oneontacsd.org/vlibrary.aspx](http://www.oneontacsd.org/vlibrary.aspx). Parents are also encouraged to "Like" the Valleyview elementary school library on Facebook to receive updates on library events & activities in your daily Facebook news feed!
