Hundreds of New Books Await Eager Readers!

This Summer hundreds of brand new picture books, chapter books, and non-fiction books arrived at the Valleyview library! There is something for everyone, and Mr. Parmerter is happy to make a recommendation...otherwise, students are invited to visit the library and to

enjoy all the new books!

What's the Buzz? K-5 students this Fall have the opportunity to use a wide-range of new Oneonta City School District technologies. At Valleyview, classes visiting the Computer Lab will practice using Windows 10, and will learn to navigate the new Valleyview website. K-2 classrooms are adding more iPads to their curriculum, and grades 3-5 are sharing Chromebook carts. That's the Buzz!

Connect with the library online!

Students & parents are invited to visit the Valleyview library website for links to Internet research materials, Internet safety tips, and updates on library activities & monthly contests! Also provided is a link to OPALS, the library's online book catalog which you can browse from home. The library webpage can be found at www.oneontacsd.org/LibraryMediaCenter1.aspx. Parents are also encouraged to "Like" the Valleyview elementary school library on Facebook to receive updates on library events & activities in your daily Facebook news feed!
