Hundreds of New Books Await Eager Readers!

This Summer, hundreds of brand new picture books, chapter books, and non-fiction books arrived at the Valleyview library! There is literally something for everyone, from fans of sports to fans of fantasy, and Mr. Parmerter is happy to make recommendations...otherwise, students are invited to visit the library and to enjoy these wonderful new books!

Connect With the Library Online!

Students & parents are encouraged to visit the library's website for links to free Internet research databases, completed class projects, Internet safety tips, and a link to OPALS, the library's online book catalog which you can browse from home. Parents are also invited to "Like" the Valleyview elementary school library on Facebook to receive updates on library events & activities in your daily news feed!

What's up? In September, Kindergarten & Grade 1 library classes will meet their first Author of the Month, while Grade 2 classes begin learning about Caldecott award winning picture books. Grade 3 library classes will be introduced to folktales, 4th graders will begin a biographies unit, and 5th graders will start "Fifty Nifty Facts," a research skills activity. That's what's up!
